- 3.2 The affiliated Clubs of the Association shall compete in a Premiership series of matches. Programmes shall be arranged by the Pennant Committee who shall place the number of Club nominated teams into grades that the Pennant Committee decide upon from Club histories and current Junior player lists and have them approved by the BCA Board prior to the commencement of the season. Clubs can use two scorebooks and live score as well, but available volunteers to do this needs to be accounted for, and Coaches need to agree on this prior to the start of the game.

If a game is not being live scored, both teams are to provide a scorebook.

In matches where a dedicated scorer is not provided, the team batting second is expected to use the same scoring items as was used by the team batting first. If a game is being live scoring via the competition management platform (PlayHQ) Scorer App teams can swap devices in the innings break.

For games that have been live scored via the competition management platform (PlayHQ) Scorer App, the game result needs to be submitted as soon as possible after the games end. (Games cannot be edited if there are any mistakes until the result has been submitted).

- 11.1 Where there are no officially appointed Umpires at a match, at the conclusion of the game, Coaches shall endorse and counter sign each scorebook, in so doing, agree to the official scores and the match result. If scores/match result cannot be agreed upon, the scorebooks will be exchanged and both teams Captains will be responsible to contact the Chairman of the Pennant Committee to arrange to lodge the opposition scorebook without amendments.

If a disputed game has been live scored and only one scorebook has been used, the Coach of the team that provided the live score will take a photo of the disputed scorebook. The result on the competition management platform (PlayHQ) Scorer App shall be submitted and the final result will be determined by the Pennant Committee.

- 11.2 Where a team has its innings declared or the match is abandoned on the second day through weather conditions, the score book and the team sheet shall be endorsed, and counter signed by the opposing Coaches that the following players took part in the match.

Coaches' Reports on competition management platform (PlayHQ) cover appraisal of Umpire performance, ground conditions and includes an option to report a player/s whether the game has a BCUA Umpire or no appointed umpire.

The coaches' report is automatically emailed to the nominated Coach with a link for the report, when the game status is marked complete after entering scores in the competition management platform (PlayHQ).

If a player, coach or club official demonstrates behaviour that is worthy of a report, the name of the player and a detailed explanation of the incident must be recorded in the Coaches' Report.

After all games with an allocated Umpire there will be a mandatory 5-minute meeting with the Umpires and Captains / Coaches to discuss the game, how it was played, if there were any concerns and if a Coach is considering lodging a Player Report that the Umpire and other Coach need to be aware of.

In Games without an Umpire, if a Coach is considering reporting a Player from the opposing club, they must discuss the incident and inform the Opposition Coach if they intend to report the player or team official before leaving the game.

This report will be forwarded to the BCA Investigations Officer in accordance with the provisions of [BCA Policy 1 – Code of Behaviour](#)

A submitted Player Report from a Coach will not be referred to the BCA MIO, if the opposition Coach had not been informed at the game of the possibility of this being done.

This does not stop

- the coach from making comments in the Spirit of the Game section about how the game was played, or a Club submitting a formal complaint on official club letter head signed by a member of the club executive for investigation if they believe an incident happened that requires an investigation

Coaches' Reports on competition management platform (PlayHQ) also cover the rating of own team's behaviour and opposition behaviour. This is rated -1 (Player Report submitted) to 10 (Excellent). If behaviour of either team is rated at 2 or less, further details must be provided in the Captain's Report.

All Clubs are to ensure that Coaches in all grades complete and lodge the Coaches' Reports on competition management platform (PlayHQ) by 11.59 pm on the Monday following the completion of each match.

PENALTY: Shall be dealt with under Rule 2
