

## BCA POLICY 6 - BCA BEST PLAYER AWARDS

Updated - July 2018

### **1<sup>st</sup> XI Competition - E. J. Cleary Medal & 2<sup>nd</sup> XI Competition - Bernie Davey Medal:**

Votes will be awarded by the officiating Umpires, jointly, on a 3-2-1 basis in each match played for premiership points in the Ballarat Cricket Association competitions provided that:

- Play continues in the match beyond the tea adjournment on the first scheduled day of play and;
- A minimum of fifty (50) overs are bowled or result achieved regardless of its scheduled duration.

NB: Where no BCUA umpires are present, the votes will be allocated by the BCUA Executive upon analysis of the match result.

**Junior 'Best Player' Awards:** Votes will be awarded by the officiating Umpires, jointly, on a 3-2-1 basis in each match played for premiership points in the Ballarat Cricket Association U17 & U15 competitions (voting for U13 competition not awarded) provided that:

- A minimum of thirty (30) overs are bowled or result achieved regardless of its scheduled duration.

NB: Where no BCUA umpires are present, votes are to be agreed upon by both Coaches and submitted via the Team Sheet. If not supplied, votes will be allocated by the BCA upon analysis of the match result.

### **Senior Batting & Bowling Awards:**

- A player before being eligible for any batting aggregate award must have batted in not less than 4 innings within that grade during the season and scored a minimum of 200 runs. If an equal number of runs scored by multiple batters, then batting average will be used to determine the award.
- A player before being eligible for any bowling aggregate award must have bowled in not less than 4 innings within that grade during the season. If an equal number of wickets taken by multiple bowlers, then bowling average will be used to determine the award.

### **Junior Batting & Bowling Awards:**

- A player before being eligible for any batting aggregate or average award must have batted in not less than 4 innings within that grade during the season and scored a minimum of 150 runs. If an equal number of runs scored by multiple batters, then batting average will be used to determine the award.
- A player before being eligible for any bowling aggregate award must have bowled in not less than 4 innings within that grade during the season. If an equal number of wickets taken by multiple bowlers, then bowling average will be used to determine the award.
